

COMPACT ELEVATING WORK PLATFORM CAPACITY KG 120 MICROLIFT Z – X WITH EXTENDABLE WORKTOP

Model	CPS1801
Dim. Closed LXPXH cm	70 x 110 x 175
Worktop cm	88 x 60
Capacity kg	120
Max platform height m	2,99
Max working height m	4,99
Capacity in n° Operators	1
Weight kg	375
Power supply	24 V
Lifting time sec	30
Basket overhang cm	70

TECHNICAL FEATURES:

- Easily transportable on small vans thanks to its extremely low weight
- 24 V battery operation allows the platform to be used even in environments without electricity
- Electronic battery charger incorporated in the base frame
- Indicator of remaining battery charge on the work surface
- High-rolling nylon wheels
- Large aluminum worktop (possibility to extend it by 700 mm)
- Platform designed specifically to allow the operator to work comfortably without having to lean out from the work surface
- The extruded aluminum lifting column gives safety and stability even at the maximum working height while always keeping the necessary maintenance to a minimum

All platforms are supplied with instruction manual in Italian, certificate of conformity, approval and CE mark.
