

EXTRA-LIGHT ELEVATING WORK PLATFORM CAPACITY UP TO KG 150 SVELTLIFT 420

Code	CPS2201
Maximum working height (m)	4,20
Maximum platform height (m)	2,20
Basket dimensions (mm)	850 x 644
Overall area (mm)	1280 x 700
Capacity (kg)	150 (1 operator + tools)
Maximum manual force	200N
Max suberabile slope	0 °
Max wind force	For internal use only, 0 mph
Maximum wheel force (kg)	234
Sound pressure level	< 70 Dba
Dimensions with closed platform (mm)	1280 x 700 x 1940
Weight (kg)	305
Unlimited lifting cycles	

ELEVATE WITHOUT CONSUMING

As part of the SVELTLIFT range, it uses the same, revolutionary “patented power storage system” compatible with the environment and with a working height of 4.2 m.

In the absence of batteries (subject to recharging and maintenance) and hydraulic oil, SVELTLIFT is a truly environmentally friendly solution.

TECHNICAL FEATURES

- Intuitive to use: just turn the knob to lift
- Patented lifting mechanism, no power needed
- Lightweight, maximum maneuverability
- Small footprint area 1,280 mm x 700 mm
- Unlimited lifting cycles, can be used 24/7
- Robust design to ensure optimal operation for years
- Minimum operating costs, potentially requires no maintenance

Manual handling - Push (Indoor use)

- Working height: 4,2 m
- Typical applications:
 - » Unfinished and finishing works
 - » Laying of pipes, mechanical and electrical systems, maintenance of structures
 - » Cleaning

- » Painting
- » Retail stores
- » Maintenance of structures

SECURITY FUNCTIONS

- Self-locking brake during lifting
- It lifts only in the presence of the operator
- Lifting mechanism with self-protected

IMPORTANT

The manufacturer is constantly engaged in research and development of products and reserves the right to make changes without notice. All data in this document are indicative. Some options or national standards may increase the weight. Specifications may vary to meet national standards or due to the addition of optional parts.

By virtue of continuous product improvements, the manufacturer reserves the right to apply specifications and / or changes to the equipment without notice.
